

## **Fact sheet on elections and membership**

States members of the CCPCJ and CND (and other functional commissions of the Economic and Social Council) are elected by the Economic and Social Council (ECOSOC) under its agenda item on elections, nominations, confirmations and appointments. The elections usually take place in April at the resumed organizational session of ECOSOC. A note by the Secretary-General on the election of members of the functional commissions is published every year by 15 February,<sup>1</sup> under the symbol **E/20..9**, and contains information on the forthcoming vacancies in the functional commissions to be filled by the Council. This document is available on the website (<https://www.un.org/ecosoc/en/documents/reports>) of the Council, together with other in-session documents.

It is possible for States to be elected by the Council as a member of more than one functional commission at the same time. Questions on the procedure of the elections may be directed to the ECOSOC Secretariat in New York: Rachel Stein-Holmes (Email: [stein-holmes@un.org](mailto:stein-holmes@un.org) / [ecosoelections@un.org](mailto:ecosoelections@un.org)).

### **CND membership**

The Commission on Narcotic Drugs has 53 members: Eleven for African States, eleven for Asian States, ten for Latin American and Caribbean States, six for Eastern European States, fourteen for Western European and other States, and one seat to rotate between the Asian, and the Latin American and Caribbean States every four years.

In accordance with Council resolution 845 (XXXII), and 1147 (XLI), members are elected (a) from among the States Members of the United Nations and members of the specialized agencies and the Parties to the Single Convention on Narcotic Drugs, 1961, (b) with due regard to the adequate representation of countries that are important producers of opium or coca leaves, of countries that are important in the field of the manufacture of narcotic drugs, and of countries in which drug addiction or the illicit traffic in narcotic drugs constitutes an important problem and (c) taking into account the principle of equitable geographical distribution.

Further information is available at the website of the Commission. An overview of previous and current members is contained in Annex I.
