

## **Workshop 1: Evidence-based crime prevention: statistics, indicators and evaluation in support of successful practices.**

### **Draft agenda February 2021**

#### **Proposed structure**

The workshop is divided into three sessions of 3 hr each: Statistics, Research, and Evaluation. The sessions are structured to foster a dynamic discussion among panellists and audience and will involve a moderator, few panellists and audience (engaged in an interactive discussion). Each session has the following format:

1. Introduction of topic and panel (moderator)
2. First round of questions to panellists (one different question to each panellist) – 20 min
3. Comments from audience on questions/feedback discussed by the panellists (15 minutes) – facilitated by a facilitator (moderator-helper) who collect questions from the chats and can keep the discussion live
4. Second round of questions to panellists (one different question to each panellist) – 20 min
5. Comments from audience on questions/feedback discussed by the panellists (15 minutes) – facilitated by a facilitator (moderator-helper) who collect questions from the chats and can keep the discussion live
6. Floor discussion: if MS have statements invite them to introduce the topics and attach the full text in the chat (25 minutes)
7. Summarising key results of the discussions (moderator; 5 minutes)
