I. Background

1. The United Nations congresses on crime prevention and criminal justice trace their origin to the international penitentiary congresses that had been organized by the International Penal and Penitentiary Commission (IPPC) since the nineteenth century. The General Assembly, in its resolution 415 (V), authorized the transfer of the functions of IPPC to the United Nations, and approved the initiative whereby the United Nations would convene every five years a worldwide congress, so as to provide a forum for discussion of priority concerns by policymakers, administrators, academics and other professionals in the field of crime prevention and criminal justice. Those intergovernmental fora have served as a stimulus for work in the field of crime prevention and criminal justice, and the interest generated by them over the years has increased considerably. The Fourteenth Congress on Crime Prevention and Criminal Justice, to be held in Kyoto, Japan, from 7 to 12 March 2021 will be unique as it will be the first Congress allowing for online participation.

2. The statement of principles and programme of action of the crime prevention and criminal justice programme of the United Nations, annexed to General Assembly resolution 46/152, stipulates, in paragraph 29, that:

“The United Nations congresses ..., as a consultative body of the programme, shall provide a forum for:

“(a) The exchange of views between States, intergovernmental organizations, non-governmental organizations and individual experts representing various professions and disciplines;

“(b) The exchange of experiences in research, law and policy development;

“(c) The identification of emerging trends and issues in crime prevention and criminal justice;

“(d) The provision of advice and comments to the Commission on Crime Prevention and Criminal Justice on selected matters submitted to it by the Commission;

“(e) The submission of suggestions, for the consideration of the Commission, regarding possible subjects for the programme of work.”

3. To date, 13 congresses have been held. The First Congress was held in Geneva in 1955; the Second Congress, with the Government of the United Kingdom of Great Britain and Northern Ireland acting as host, was held in London in 1960; the Third Congress, with the Government of Sweden acting as host, was held in Stockholm in 1965; the Fourth Congress, with the Government of Japan acting as host, was held in Kyoto in 1970; the Fifth Congress was held at the Palais des Nations, Geneva, in 1975; the Sixth Congress, with the Government of Venezuela acting as host, was held in Caracas in 1980; the Seventh Congress, with the Government of Italy acting as host, was held in Milan in 1985; the Eighth Congress, with the Government of Cuba acting as host, was held in Havana in 1990; the Ninth Congress, with the Government of Egypt acting as host, was held in Cairo in 1995; the Tenth Congress was held in Vienna in 2000; the Eleventh Congress, with the Government of Thailand acting as host, was held in Bangkok in 2005; the Twelfth Congress, with the Government of Brazil acting as host, was held in Salvador in 2010; and the Thirteenth Congress, with the Government of the State of Qatar acting as host, was held in Doha in 2015.

4. In its resolution 56/119, the General Assembly decided that each congress shall adopt a single declaration. In its resolutions 72/192, 73/184 and 74/171, the Assembly requested the Commission on Crime Prevention and Criminal Justice to prepare a draft declaration, taking into account the recommendations of the regional preparatory meetings. At its thirtieth session, to be held from 17 to 21 May 2021, following the Fourteenth Congress, the Commission will give priority attention to the

conclusions and recommendations of the Fourteenth Congress, with a view to recommending, through the Economic and Social Council, appropriate follow-up action by the Assembly.

5. The following regional preparatory meetings were held in preparation for the Fourteenth Congress: the Asia and Pacific Regional Preparatory Meeting, held in Bangkok from 22 to 24 January 2019; the Latin American and Caribbean Regional Preparatory Meeting, held in Santiago from 5 to 7 February 2019; the Western Asia Regional Preparatory Meeting, held in Beirut from 26 to 28 March 2019; the African Regional Preparatory Meeting, held in Addis Ababa from 9 to 11 April 2019, and the European Regional Preparatory Meeting, held in Vienna from 23 to 25 April 2019. Pursuant to General Assembly resolution 73/184, the Secretariat made a special effort to facilitate the organization of the European Regional Preparatory Meeting, which was the first such Meeting held since 1995.

II. Date and venue

6. In its resolution 73/184, the General Assembly accepted with gratitude the offer of the Government of Japan to act as host to the Fourteenth Congress. The Fourteenth Congress was initially scheduled to take place from 20 to 27 April 2020. Noting with concern the situation concerning the coronavirus disease (COVID-19), the General Assembly, in its decision 74/550 of 13 April 2020, decided to postpone the holding of the Fourteenth Congress until further notice. In its decision 74/550 B of 12 August 2020, the Assembly decided on the new dates of the Fourteenth Congress.

7. The Congress will take place in a hybrid format, combining in person participation at the Kyoto International Conference Center in Kyoto, Japan, with online participation from all over the world. The Fourteenth Congress will be held from Sunday, 7 March, to Friday, 12 March 2021, with pre-Congress consultations scheduled for Saturday, 6 March 2021. A floor plan of the Center is contained in Annex I.

III. High-level segment and statements during the regular segment

8. The high-level segment of the Fourteenth United Nations Crime Congress on Crime Prevention and Criminal Justice will be held during the first three days of the Congress, from Sunday, 7 March 2021, to Tuesday, 9 March 2021. Following the opening of the high-level segment, the floor will be given to the high-level representatives of the Member States chairing the regional groups, followed by high-level representatives of Member States in their national capacities.

List of speakers for the high-level segment

9. The initial list of speakers for the high-level segment will be established by drawing of lots at an intersessional meeting of the Commission on Crime Prevention and Criminal Justice, acting as preparatory body to the Crime Congress, to be held on **Wednesday, 17 February 2021**.

10. The Secretariat will inform all Member States by a note verbale of the drawing of lots. In order to be included in the drawing of lots, Member States should share with the Secretariat the name, title and rank of their speaker and indicate if it will be a video statement by **Thursday, 11 February 2021**, by email to unodc-14congress-registration@un.org, with copy to zsoka.williams@un.org.

11. The drawing of lots will be done by means of the following procedure:

(a) There will be two different boxes, one containing the names of the States that will be represented at the ministerial level (namely, Cabinet-level ministers, such as Ministers of Foreign Affairs, Home Affairs, Justice or Health, and Prosecutors

General), and the other containing the names of States that will be represented at a level lower than Cabinet level;

(b) The representative of the Secretariat will draw the names out of the first box and continue with the second. The Member States will be listed in the order that their names are drawn;

(c) If the Secretariat has been informed that more than one State will be represented at a level higher than ministerial level (level of Head of State or Government), there will be an additional box containing the names of States that will be represented at the highest level, and names from that box will be drawn first;

(d) The last speaking slots of the fourth, fifth and sixth plenary meetings (Monday, 8 March 2021, in the morning, and Monday, 8 March, in the afternoon) may be reserved for the Holy See and for the State of Palestine in their capacities as observer States.

12. If the level at which a statement is to be made is subsequently changed, the speaker will be moved to the next available speaking slot in the appropriate category.

13. Participants may arrange to exchange their speaking slots in accordance with the established practice of the United Nations. In such cases a written notification must be provided to the Secretariat of the Congress by the concerned parties.

14. Speakers who are not able to deliver statements when their speaking turn comes will automatically be moved to the next available speaking slot within their category.

15. Heads of United Nations entities, including programmes, funds, specialized agencies and regional commissions and intergovernmental organizations may also make statements during the high-level segment after Member States on a first-come, first-served basis, if time permits. Duly registered representatives of intergovernmental organizations who wish to make statements during the high-level segment should inform the Secretariat **by Wednesday, 17 February 2021** by email to unodc-14congress-registration@un.org with copy to zsoka.williams@un.org.

16. Moreover, the Alliance of NGOs on Crime Prevention and Criminal Justice is invited to deliver a joint group statement on behalf of the community of non-governmental organizations during the high-level segment.

Length of statements

17. In order to accommodate all speakers, statements during the Congress need to be generally limited to three minutes (approximately 300 words), statements made by Member States during the high-level segment can exceptionally be up to five minutes (approximately 500 words). In case the high number of registered speakers for the high-level segment makes it necessary to reduce the statements during the high-level segment also to three minutes, this will be communicated closer to the Congress.

Video statements

18. Representatives have the option to submit a pre-recorded video-statement for the high-level segment (time limitation is to be strictly adhered to).

19. The representative delivering a video statement has to be registered for the congress and included in the delegation's list of participants. When registering for the list of speakers at the high-level segment, delegations are requested to indicate "video statement" next to the title of the representative delivering the statement.

20. Video statements and the text of the statement should be transmitted to the Secretariat by **Friday, 26 February 2021** via a file sharing platform with appropriate security protections (e.g. password, private link) for example Dropbox. The link to the files on the platform should be sent by email to the following email address: unov-conference.statements@un.org. Delegations are kindly requested to not attach video files to an email directly.

21. Delegates are kindly reminded that many participants will rely on interpretation and therefore are encouraged to make themselves familiar with the guidance note “How to record a statement that will be interpreted” (in Annex II) before recording their statement.

Online posting of statements

22. All statements, including video statements, made during the high-level segment will be made available on the website of the Fourteenth Crime Congress, unless the Secretariat is informed otherwise by the delegation in question.

Statements during the regular segment

23. In order to accommodate all speakers during the regular segment, statements should be limited to three minutes (approximately 300 words). Chairs of regional groups will be allotted a speaking time of a maximum five minutes (500 words).

24. Speakers may register in advance for speaking slots in plenary meetings of the regular segment by forwarding to the Secretariat the name and title of their speaker and country or organization and with the agenda item under which they wish to address the Congress.

25. As there is no advance registration for Committee I and Committee II, speakers are kindly asked to indicate their intention to take the floor during the meetings of the Committees.

26. Under each agenda item, up to three non-governmental organizations may make statements. These statements are to be coordinated by the Alliance of NGOs on Crime Prevention and Criminal Justice (info@crimealliance.org).

Official United Nations documents of the Congress will be made available in the six official languages of the Congress and posted on the Congress website.

76. Most conference rooms in which simultaneous interpretation is available will be provided with portable receiving sets and headphones. Participants are requested not to remove them from the meeting rooms so that the equipment can be checked and batteries recharged before the next meeting takes place.

77. UNODC has prepared documents to facilitate consideration of each item of the provisional agenda of the Congress, as well as background papers for the workshops. Further to the postponement due to the COVID 19 pandemic, UNODC has also prepared an additional document entitled “Developments regarding crime prevention and criminal justice as a result of the coronavirus disease (COVID-19) pandemic”(A/CONF.234/15), that contains updated information and is to be read together with the background papers. In addition, the Congress will have other documents, including the discussion guide and the reports of the regional preparatory meetings. Those documents can be found on the UNODC website for the Fourteenth Congress (www.unodc.org/congress/en/documentation.html).

Pre-session documents

78. As part of the Secretariat’s efforts to reduce expenditure and support endeavours to limit environmental impact through the digitization of conference materials and publications, **pre-session documents** of the Congress will only be issued **electronically** and have been posted in all six official languages on the website of the Congress. **In-person participants are kindly requested to bring their own copies of the pre-session documents to meetings.**

In-session documents

79. Each in-person delegation will receive a single, complete set of the **in-session documents** in the language (or languages) of its choice. In-session documents will also be posted on the website of the Congress.

80. The main documents distribution counter will be located in front of the Plenary Hall. Each delegation will be assigned an individual pigeonhole at the documents distribution counter, in which all documents issued during the Congress will be placed.

XV. Submission of papers

81. In its resolution [74/171](#), the General Assembly, inter alia, encouraged Governments to submit national position papers on the various substantive items of the agenda, and called for contributions from the academic community and relevant scientific institutions. Such papers may also contain relevant research findings, examples of best practice and indications of ways to further common objectives and joint strategies with the United Nations and other stakeholders. To the extent possible, the papers should contain specific recommendations to be considered by the Congress.

Written statements

82.
