***PROMOTING GOOD GOVERNANCE IN SPORT AND MITIGATING THE  
RISK OF CORRUPTION***

**BOSNIA AND HERZEGOVINA (SEVENTH MEETING)**

**II. Information requested from States parties and signatories in relation to promoting good governance in sport and mitigating the risk of corruption that faces globally**

To contribute in prevention and reducing corruption in sport, APIK has held a meeting in February 2016 with the representatives of the Football Federation of Bosnia and Herzegovina. In this regard APIK has taken commitments to coordinate the process of development and adoption of integrity plans of the Football Federation of B&H. In particular, it was agreed that during 2016, the representatives of APIK will participate as lecturers during the seminars organized by the Football Federation. The aim is to educate delegates, controllers of football trials, referees, assistant referees and representatives of the football clubs in the field of integrity and ethics, raising awareness and taking preventive measures to fight corruption in sport.
