SLOVAKIA**

**ARTICLE 8, PARAGRAPH 4 UNCAC  
REPORTING ON ACTS OF CORRUPTION**

**SLOVAKIA (EIGHTH MEETING)**

- Concerning **reporting of acts of corruption**, we would like to point out to provisions of Act no. 307/2014 Coll. on Certain Measures Related to Reporting of Anti-social Activities and on Amendment and Supplements to Certain Acts, considered the first more comprehensive regulation of whistleblowing in Slovakia. The Act came into force on 1 January 2015.
- The Act applies also to civil servants. It grants protection to whistle blowers, when reporting on facts about which they have learnt during the performance of their duties/employment.
