An aerial night photograph of a modern, curved skyscraper. The building's facade is composed of horizontal metallic bands. At the top, a curved walkway or observation deck is visible, with the word "Swedbank" and its logo illuminated in a bright orange-red color. The building is situated on a waterfront, with a large body of water and a bridge visible in the background. The surrounding area includes some lower-rise buildings and trees, all under a dark, twilight sky.
