Comments from responses by country to:

Questionnaire for the
Ninth United Nations Survey of Crime Trends
and Operations of Criminal Justice Systems,
covering the period 2003 - 2004

Notes:
Only parts of the questionnaire (Police, Prosecution, Courts, Prisons/penal Institutions) where at least one question has
been completed are included in this report
'-' indicates no information provided
Information current as of November 2007
5. Prosecution personnel, by sex, and financial resources

Alternative reference date to 31 December

Comments Table 5

5.1 on 2003 there were 253 prosecutors and 118 Judicial Police officers. On 2004 there were 267 prosecutors and 129 Judicial Police officers. 5.5 There is a prosecution line for serious crimes both in first instance and appeal (established on 2004)

6. Persons prosecuted, by type of crime

What is (are) the source(s) of the data provided in this table?

General Prosecutor’s Office Statistics.

Comments Table 6

6.6 / 6.7 According to an order from the Ministry of Health, the remedy of the major Assault consequences takes more than 15 days. 6.13 is treated as a form of Fraud.

7. Persons prosecuted, by sex and age group

What is (are) the source(s) of the data provided in this table?

General Prosecutor’s Office Statistics.

Definition of ADULT as applied in the national criminal justice system:

over 18 years old.

Definition of JUVENILE as applied in the national criminal justice system:

2 categories. A) from 14-16 years old. B) from 16-18 years old.

Comments Table 7

A) from 14-16 years old. In 2003 there were 179 persons. In 2004 there were 239 persons. B) from 16-18 years old. In 2003 there were 1178 persons. In 2004 there were 1716 persons.
## POLICE

1. Police personnel, by sex, and financial resources

   Alternative reference date to 31 December

   Comments Table 1

2. Crimes recorded in criminal (police) statistics, by type of crime including attempts to commit crimes

   What is (are) the source(s) of the data provided in this table?
   Gendarmerie Nationale

   Comments Table 2

3. Persons brought into initial formal contact with the police and/or criminal justice system by type of crime, where initial formal contact might include being suspected, arrested, cautioned etc.

   What is (are) the source(s) of the data provided in this table?
   Gendarmerie Nationale

   Comments Table 3

4. Persons brought into formal contact with the criminal justice system, by sex and age group, where formal contact might include being suspected, arrested, cautioned etc.

   What is (are) the source(s) of the data provided in this table?
   Le Commandement de la gendarmerie nationale / La direction generale de la surete nationale

   Definition of ADULT as applied in the national criminal justice system:
   +18 ans

   Definition of JUVENILE as applied in the national criminal justice system:
   -18 ans

## Brunei Darussalam

### POLICE

1. **Police personnel, by sex, and financial resources**

   Alternative reference date to 31 December

   Comments Table 1

2. **Crimes recorded in criminal (police) statistics, by type of crime including attempts to commit crimes**

   What is (are) the source(s) of the data provided in this table?

   Comments Table 2

   1- Total recorded crimes refer to all crime cases investigated by both police and other enforcement agencies.
   2- Intentional homicide is defined as Murder.
   3- Major assault is defined as Causing Grievous Hurt.
   4- Total assault includes cases of major assault

3. **Persons brought into initial formal contact with the police and/or criminal justice system by type of crime, where initial formal contact might include being suspected, arrested, cautioned etc.**

   What is (are) the source(s) of the data provided in this table?

   Comments Table 3

4. **Persons brought into formal contact with the criminal justice system, by sex and age group, where formal contact might include being suspected, arrested, cautioned etc.**

   What is (are) the source(s) of the data provided in this table?

   Definition of ADULT as applied in the national criminal justice system:
   Age 19 and above

   Definition of JUVENILE as applied in the national criminal justice system:
   Age 18 and below

   Comments Table 4

   For Police Statistical crime data, the breakdown of arrested person's age are made in terms of those aged 19 and above and those age 18 and above. The former is referred to as adult and the latter as juvenile.

### PRISONS

12. **Adult prisons, penal institutions or correctional institutions**

   Alternative reference date to 31 December

   Comments Table 12
13. Juvenile prisons, penal institutions or correctional institutions

Alternative reference date to 31 December

POLICE

1. Police personnel, by sex, and financial resources

Alternative reference date to 31 December

Comments Table 1
Confidential data.

2. Crimes recorded in criminal (police) statistics, by type of crime including attempts to commit crimes

What is (are) the source(s) of the data provided in this table?
Integrated Regional Police System

Comments Table 2
- Total number of crimes includes also the discovered economic offences as well as the anti-social acts committed by minors.
- Total number of crimes includes both the crimes registered in the police statistics by type of crime and the attempts to commit a crime.

3. Persons brought into initial formal contact with the police and/or criminal justice system by type of crime, where initial formal contact might include being suspected, arrested, cautioned etc.

What is (are) the source(s) of the data provided in this table?
Integrated Regional Police System

Comments Table 3
- Suspected person - a person for whom the police has collected sufficient incriminating data and proofs for a crime he/she had committed.
- Total number of suspected persons includes also children under the age of 14 as well as those who can not be brought to justice because of death, illness or escape across the frontiers.
- Total number of suspected persons is less than their sum by type of crimes. Persons who have committed different types of crimes have been reported separately for each type of crime but in the country's total amount they have been counted only once.

4. Persons brought into formal contact with the criminal justice system, by sex and age group, where formal contact might include being suspected, arrested, cautioned etc.

What is (are) the source(s) of the data provided in this table?
Integrated Regional Police System

Definition of ADULT as applied in the national criminal justice system:
have accomplished 18 years and over.

Definition of JUVENILE as applied in the national criminal justice system:
have accomplished 8 years but not 18 years of age.

Comments Table 4

PROSECUTION

5. Prosecution personnel, by sex, and financial resources

Alternative reference date to 31 December

-
Bulgaria - prosecution section

6. Persons prosecuted, by type of crime

What is (are) the source(s) of the data provided in this table?
Current Records of Supreme Cassation Prosecutors Office

Comments Table 6

Data included in the table refer to persons accused on indictments brought before the court by the prosecutor. 6.12 includes the number of persons accused for wrongful appropriation of a motor vehicle being another person's possession, without the consent of the owner and with an intention to use it. 6.15 Embezzlement as a separate corpus delicti does not exist in the Penal Code of the Republic of Bulgaria with exception of the special text ' malfeasance with confidence ' but exceptionally often is used by the legislator as a classifying circumstance at ' serious crime '.

7. Persons prosecuted, by sex and age group

What is (are) the source(s) of the data provided in this table?
Current Records of Supreme Cassation Prosecutors Office

Definition of ADULT as applied in the national criminal justice system:
accomplished 18.

Definition of JUVENILE as applied in the national criminal justice system:
accomplished 14 but not 18.

Comments Table 7

- refer to persons accused on indictments brought before the court by the prosecutor. 7.1 and 7.2 Total number of persons accused by sex is included.

COURTS

8. Judges, by status and sex, and financial resources, including in appeal courts

Alternative reference date to 31 December

Comments Table 8

currency - Bulgarian Levs

9. Persons brought before the criminal courts

Comments Table 9

Data refers to persons convicted with sentences enforced. Total number of persons convicted also includes the number of persons for whom the execution of the inflicted punishment has been postponed for a period from three to five years.

10. Persons convicted in the criminal courts, by type of crime

What is (are) the source(s) of the data provided in this table?
Regular records of the National Statistical Institute

Comments Table 10

Data refers to persons convicted with sentences enforced. Beside the crime ' theft ' that can have for object passenger car the Penal Code of the Rep. of Bulgaria also provides for crime, the unlawful appropriation of an other person's motor vehicle, at which the felonious intent is to use it, not to embezzle. There is not statistical survey by characteristic ' object of the criminal encroachment due to which we are not in position to say what part of these crimes are thefts of motor vehicles. Due to this reason in p 10-12 is indicated the number of persons who have been convicted for unlawful appropriation of motor vehicles, not for theft of motor vehicles.
11. Persons convicted in the criminal courts, by sex and age group

What is (are) the source(s) of the data provided in this table?
Regular records of the National Statistical Institute

Definition of ADULT as applied in the national criminal justice system:
accomplished 18.

Definition of JUVENILE as applied in the national criminal justice system:
accomplished 14 but not 18.

Comments Table 11
Data refers to persons convicted with sentences enforced.

Sri Lanka

POLICE

1. Police personnel, by sex, and financial resources

Alternative reference date to 31 December

Comments Table 1

The above gives the man power of police department. More men and women have been recruited in the year 2004 but the amount of female officers are very low. The man power of the police department is not adequate when comparing to the population in Sri Lanka.

2. Crimes recorded in criminal (police) statistics, by type of crime including attempts to commit crimes

What is (are) the source(s) of the data provided in this table?

Comments Table 2

Figures indicate that the suspects brought before courts have been increased in the year 2004 slightly. Detection on drug related crimes are significantly increased in 2004. It appears that crimes are controlled by police but strategies have to be improved.

3. Persons brought into initial formal contact with the police and/or criminal justice system by type of crime, where initial formal contact might include being suspected, arrested, cautioned etc.

What is (are) the source(s) of the data provided in this table?

Comments Table 3

At a glance at the above figures including attempts made it clears that crimes have been increased slightly in 2004 but drug related crimes have been detected successfully in year 2004. Strategies have to be improved to detect and prevent crimes.

4. Persons brought into formal contact with the criminal justice system, by sex and age group, where formal contact might include being suspected, arrested, cautioned etc.

What is (are) the source(s) of the data provided in this table?

Definition of ADULT as applied in the national criminal justice system:

Definition of JUVENILE as applied in the national criminal justice system:

Comments Table 4

The above figures indicate that the persons brought before courts in 2004 are slightly increased but the amount of female suspects and juveniles are very low comparing to the males.

PROSECUTION

5. Prosecution personnel, by sex, and financial resources

Alternative reference date to 31 December
Persons prosecuted in 2004 are slightly increased but comparing to the males in 2003 and 2004 amounts of females are very low. No special prosecutors but experienced police officers are available.

6. Persons prosecuted, by type of crime

What is (are) the source(s) of the data provided in this table?

Figures indicate a slight increase in the year 2004 but persons prosecuted and automobile theft are reduced slightly. There is a significant increase of detections of drug related crimes in the year 2004. It is clear that precautionary measures taken by police...
15. Persons incarcerated, by category of incarceration, selected day

<table>
<thead>
<tr>
<th>Selected Day of the Year</th>
<th>31/12</th>
</tr>
</thead>
</table>

Do the figures in this category include persons who have been sentenced in the court of first instance but have appealed the verdict?

Comments Table 15

During the period 2003 to 2004 persons incarcerated has decreased by 1982 because of no information was received from one prison.

16. Convicted prisoners, by sex and age group, selected day

Definition of ADULT as applied in the national criminal justice system:
Over 16

Definition of JUVENILE as applied in the national criminal justice system:
Below 16

Comments Table 16

Number of adult female prisoners increased by 5.2% in 2003 as against 2004. Number of adult male prisoners decreased by 3.1% in 2003 as against 2004. Information based on annual direct admissions.

17. Adult prisoners: Average length of time actually served in prison, after conviction, by offenses

Comments Table 17

Average length of time in months actually served in Prison, were not changed during 2003 to 2004.

18. Persons on probation, by age group, selected day

Day of the Year
31/12

Comments Table 18
