

YOUTH CRIME AND VIOLENCE PREVENTION DURING COVID-19 IN SOUTH AFRICA

This is one of the UNODC
online workshop series
on "**Youth Violence and
Crime Prevention in the
Context of COVID-19**"

**LINEUP
LIVEUP**

The Doha Declaration:
**PROMOTING A CULTURE
OF LAWFULNESS**

22 JULY 2020
16:00 CET

EVENT INFO & AGENDA

The workshop aims to analyse the risk factors of youth crime and victimisation, in particular in the context of increased vulnerabilities during COVID-19, and to identify existing and future responses in South Africa. Responses will be discussed in the context of South Africa's 2016 White paper on Safety and Security, which promotes a multi-agency, developmental approach to crime prevention.
