

LISTEN FIRST PRESENTS

SUPER SKILLS

THE BOOK CHALLENGE

As the group enters Skilltown's school, Listenup is suddenly gripped with fear. She sees all the books smiling in the library - and feels like they are laughing at her. Overwhelmed by all the words in the books, she feels scared. But Smellup "smells" her worries, Lookup "sees" her fears, and Handy "soothes" her. The group - and the kind Librarian - help her read to support her dream of becoming an astronaut. And at night, she reads with her Grandmother about the 'grandness' of space, knowing she too can achieve her dreams.
