## Typographic styles for the Independent Evaluation Unit report template

The template uses two font groups:

- Adobe Garamond Pro, for body text, page numbers
- Myriad Pro, for figures, tables, and other graphical elements containing text

In the main text paragraphs, the leading (space after each line) is 13pt. For the headings A, the leading is 66pt; for headings B, it is 16pt; for headings C, it is 15pt; and for headings D, it is 14pt.
