**Selection and Terms**

7. The members of the Advisory Board shall continue to be identified and proposed by the secretariat, in consultation with existing members of the Board and other Network participants, based on the following criteria:
   
   (a) equitable geographical distribution;
   
   (b) equitable gender distribution;
   
   (c) balance between judiciaries and judicial institutions (six (6) members each); and
   
   (d) the candidates’ level of participation in and contribution to the activities of the Network.

8. The list of candidates proposed by the secretariat shall be presented to the participants at the regular high-level conferences of the Network for endorsement. The list of candidates proposed by the secretariat shall be published in the restricted area of the website of the Network, whenever possible, at least one (1) month before the high-level conference where endorsement shall be sought. Any comments or concerns about proposed members may be voiced to the secretariat prior to the conference.

9. All members shall serve on the Advisory Board for a term of two years, with the possibility of the renewal of their terms. A term shall begin at the time of the member’s endorsement and end approximately two years later at the closest high-level conference.

10. A staggered approach to the terms of the Advisory Board members shall be encouraged in order to allow for a duality of experience and innovation.

11. All members shall serve in their personal capacities and on a pro bono basis.

12. The Advisory Board members shall express their interest to continue to serve on the Board at least six (6) months before the expiration of their membership.

16. Upon invitation by the secretariat and the approval of the Advisory Board members, additional persons can be invited to the meetings or parts of the meetings of the Advisory Board in the capacity of observers, such as representatives of the judiciaries responsible for the organization of the Network conferences.
17. If any Advisory Board member is unable to attend the Board meeting, he or she shall not be replaced by another representative from their judiciary or judicial association. The Advisory Board operates on the principle of mutual trust without the need to use temporary substitute representatives in the meetings.

18. The meetings of the Advisory Board shall be conducted in English. The Advisory Board shall make decisions by consensus whenever possible. The secretariat, in consultation with the Advisory Board members, shall prepare the minutes of each meeting.
