**Hybrid format**

(VIC Conference Room CR1 and online participation through Interprefy)

***I. Opening***

- Chair of the Working Group

***II. Briefing on the developments and outcomes of the review process***

- The Secretariat will provide an overview of the current status of the review process and the support provided to the Review Mechanism

***III. Spotlight on the 14<sup>th</sup> meeting of the Working Group of Government Experts on Technical Assistance***

- The Chair will brief participants about the developments and outcomes of the 14<sup>th</sup> meeting of the Working Group of Government Experts on Technical Assistance
- Panel discussion to unpack the topic: *Technical assistance needs in the prevention of organized crime, including data collection and analytical processes to support the mainstreaming of a gender perspective and human rights, as well as the development of national strategies to address transnational organized crime.*

***IV. Collection of inputs and suggestions from participants and provision of information on relevant activities, including those related to meeting technical assistance needs in the context of the UNTOC Review Mechanism***

- Tour-de-table with statements and questions from civil society with a specific focus on three standing agenda items:

**UNTOC** REVIEW  
MECHANISM

- Role of civil society in the universalization and implementation of the UNTOC
- States Parties' technical assistance needs and civil society engagement/participation
- Gender, human rights and victim-centred approaches to countering organized crime
