# HUMAN TRAFFICKING

## WHAT IS TRAFFICKING IN PERSONS?

United Nations Convention on Transnational Organized Crime (UNTOC) defines Trafficking in Persons as the recruitment, transportation, transfer, harbouring or receipt of persons, by means of the threat or use of force or other forms of coercion, of abduction, of fraud, of deception, of the abuse of power or of a position of vulnerability or of the giving or receiving of payments or benefits to achieve the consent of a person having control over another person, for the purpose of exploitation.

## WHY ARE PEOPLE TRAFFICKED?

Children, women and men are trafficked for a wide range of reasons including:

- Sexual exploitation
- Domestic servitude
- Forced labour including in the agricultural, construction, food processing, hospitality industries and in factories
- Criminal activity including cannabis cultivation, street crime, forced begging and benefit fraud
- Organ harvesting

## HUMAN TRAFFICKING LAW IN PAKISTAN:

The Prevention of Trafficking in Persons Act 2018 defines human trafficking as below:

“Any person who recruits, harbours, transports, provides or obtains another person, or attempts to do so, for compelled labour or commercial sex acts through the use of force, fraud or coercion, commits an offence of trafficking in persons”

## WHAT ARE THE TYPES OF HUMAN TRAFFICKING?

Internal Human Trafficking: It is trafficking in human beings happening within the borders of a country and international border crossing is not involved. Mainly dealt by Provincial or Federal Police.

External Human Trafficking: It is the trafficking in human beings that involves crossing of international borders. It is mainly dealt by the Federal Investigation Agency.
