# OBJECTIVE

To ascertain gaps in reporting on  
SDG 16 indicators in order to  
facilitate readiness for  
mainstreaming in the **National and  
Subnational Development  
Frameworks**

A scoring system based on four assessment criteria;

- 1) Data availability,
- 2) Disaggregation compatibility
- 3) Compliance with definition, and
- 4) Timeliness

# KEY HIGHLIGHT

- Out of 23 indicators, 21 have full or partial data with **only 2 indicators lacking data**
- About 50 percent of the indicators are dependent on administrative data sources
- Only 13 out of the 18 indicators are gender disaggregated.

# KEY HIGHLIGHTS

- 66% of respondents were satisfied with Local Government services in 2015
- Birth registration increased from 30% in 2011 to 32% in 2016
- 61% of respondents felt safe walking alone at night in 2017

- 70% of detected victims of trafficking in persons were female.
- About 5% of women and 1% of men aged 18–29 reported having experienced sexual violence
- The number of victims for intentional homicide was 11.5 per 100,000 of population.

CHILDREN NEED TO BE TAUGHT FROM CHILDHOOD THE DANGERS OF GENDER-BASED VIOLENCE AND THIS CAN ONLY BE POSSIBLE IF THE PARENTS LIVE BY EXAMPLE

**HER vision**
