

Conference of the State Parties to the United Nations Convention Against Corruption, 7th Session

6-10 November 2017, Vienna International Centre, Vienna, Austria

UNCAC and the Integrity, Transparency and Anti-corruption Preventive Policies

The aim of the event is to highlight the importance of focusing on the preventive aspect in strengthening national efforts to combat corruption in general and the role of mechanisms to review international conventions in this regard by presenting the efforts of relevant international organizations and national experiences and practices. The theme of the event is largely consistent with the agenda of the seventh session of the Conference of the States Parties to the United Nations Convention against Corruption, as preventive anti-corruption policies lie at the heart of chapter II (Safeguards), which is reviewed at the second session of the Convention review mechanism.
