1st Lightning Round: Key Challenges in designing integrated National AC Strategies (15 minutes)

Which were the **greatest challenges** you faced while implementing and monitoring your previous strategy and/or action plan and how did you incorporate the lessons learned, in the designing process?

- *How do you assess/evaluate your anti-corruption strategies and action plans and how frequently?*
- *Did you take certain initiatives based on international guidelines or standards and best practices or were they mainly based on your own experience and practice?*
- *If you have already applied such initiatives, have you noticed a distinguishable difference when designing or even implementing the next strategy/action plan?*
