(10th open-ended intergovernmental expert meeting to enhance international cooperation under the United Nations Convention against Corruption)

The secretariat of the Conference of the States Parties to the United Nations Convention against Corruption presents its compliments to the [...] and has the honour to cordially invite the Government to participate in the **tenth open-ended intergovernmental expert meeting to enhance international cooperation under the United Nations Convention against Corruption**, which will be held in a hybrid format (**in person and online**) in Vienna, from **6 to 10 September 2021 in the M-Plenary, M-Building**.

In its resolution 4/2, the Conference of the States Parties to the United Nations Convention against Corruption decided to convene open-ended intergovernmental expert meetings to enhance international cooperation. The functions of the meetings are to assist it in developing cumulative knowledge in the area of international cooperation and encourage such cooperation, facilitate the exchange of experiences among States parties and assist the Conference in identifying the capacity-building needs of States.

In accordance with the workplan for subsidiary bodies of the Conference of the States Parties to the United Nations Convention against Corruption, which was adopted by the Conference at its eighth session in December 2019, the thematic focus of the tenth open-ended intergovernmental expert meeting to enhance international cooperation will be on asset recovery and international cooperation. Moreover, the thematic discussions during the tenth expert group meeting will focus more specifically on the implementation of chapter IV of the United Nations Convention against Corruption: lessons learned, good practices and challenges, in particular the use of the Convention as a legal basis for international cooperation (the provisional agenda is contained in the Annex).

The Government is hereby informed that **two** representatives per delegation will be able to attend the sessions in person in the M-Plenary. Representatives will also have a possibility to attend the sessions in an online format, using the Interprefy platform. The Government is advised that **up to five delegates participating remotely per delegation may be assigned a speaker role** on the Interprefy platform. It is no longer necessary to differentiate between speaker and observer roles. In determining the composition of the delegation, the Government is encouraged to also take into account considerations of gender balance.

The INDICO registration system will be used for registering delegates for participation. The registration for the session is open and accessible through the following link:

<http://www.unodc.org/unodc/corruption/registration/september-2021-uncac-meetings/index.html>

The Government is hereby informed that an official note verbale must be uploaded to the INDICO system, together with the mandatory details for each delegate (name, title, individual email address, in-person or online participation). Registration requests will be approved by the secretariat only after being cross-checked against the official note verbale uploaded to INDICO. The Government is kindly requested to share the note verbale with the nominated delegates to enable them to complete the registration process as soon as possible and not later than **30 August 2021** and to observe the deadline in order for the secretariat to finalize all the necessary technical preparations for the meeting. Regretfully, the secretariat will not be able to accommodate requests for registration after that date.

The tenth session of the open-ended intergovernmental expert meeting to enhance international cooperation under the United Nations Convention against Corruption, the resumed twelfth session of the Implementation Review Group and the fifteenth session of the Working Group on Asset Recovery are to hold **joint meetings** on thematic and technical assistance matters (Ref.: CU 2021/269(A)/DTA/CEB/CSS and CU 2021/270(A)/DTA/CEB/CSS). In view of the joint meetings and due to technical reasons, **the Government is requested to issue only one note verbale containing the composition of its delegation for the three meetings.** The registration for the joint meetings is set up as one event in INDICO.

In order to assist the work of the interpreters and to avoid technical problems, the Government is encouraged, to the degree possible, to ensure that the statements are delivered by the representatives present in the M-Plenary for those delegations that will participate in person. Delegations are also encouraged to provide copies of general national statements in written format (email to: uncac@un.org) for posting on a dedicated space on the website of the session (<https://www.unodc.org/unodc/en/corruption/EM-InternationalCooperation/session10.html>).

The secretariat will continue to monitor the situation related to the COVID-19 pandemic and will provide timely updates to registered participants and on the website of the session with respect to any necessary changes to the above arrangements and possible restrictions affecting access to the Vienna International Centre.
