(First resumed 13th session of the Implementation Review Group)

The secretariat of the Conference of the States Parties to the United Nations Convention against Corruption presents its compliments to the [...] and has the honour to invite the Government to participate in the **first resumed thirteenth session of the Implementation Review Group**, to be held in **Boardroom B/M1, M-Building**, Vienna International Centre, Vienna, Austria, from **8 to 9 September 2022**.

The Implementation Review Group was established by the Conference of the States Parties to the United Nations Convention against Corruption in its resolution 3/1, entitled “Review mechanism”, as an open-ended intergovernmental group of States parties to operate under its authority and report to it. The Group is to have an overview of the review process in order to identify challenges and good practices and to consider technical assistance requirements in order to ensure effective implementation of the Convention.

The proposed organization of work for the first resumed thirteenth session (enclosed annex) was prepared in line with the guidance contained in the workplan for the subsidiary bodies of the Conference, which was approved by the Bureau of the Conference, whereby, in view of Conference resolution 8/2, the Group was to discuss item 2 entitled “Performance of the Mechanism for the Review of Implementation of the United Nations Convention against Corruption”. Documentation, including the annotated provisional agenda and the organization of work, will be available electronically in all the official languages of the United Nations on the web pages of the United Nations Office on Drugs and Crime at:

or <http://myconference.unov.org>

Subject to developments relating to the coronavirus disease (COVID-19) pandemic, it is currently planned that the session will be held in person. While registered delegates will be able to observe the proceedings online through the Interprefy platform, there will be only very limited opportunities to deliver statements remotely. To facilitate the work of the interpreters, during each three-hour meeting, only 30 minutes will be allotted to statements delivered remotely by online participants. To avoid technical problems, the Government is encouraged, to the degree possible, to ensure that the statements are delivered by the representatives present in the meeting room.
