(a) Opening of the meeting

The meeting of the Working Group on Asset Recovery will be opened on Thursday, 3 September 2015, at 10 a.m.

(b) Adoption of the agenda and organization of work

The provisional agenda for the meeting was prepared in accordance with resolution 5/3, entitled “Facilitating international cooperation in asset recovery”, adopted by the Conference of the States Parties to the United Nations Convention

against Corruption at its fifth session, held in Panama City from 25 to 29 November 2013.

The proposed organization of work (see annex) was prepared in accordance with Conference resolution 5/3 and the report on the meeting of the Working Group held in Vienna on 30 and 31 August 2012 (CAC/COSP/WG.2/2012/4).

2. Overview of progress made in the implementation of asset recovery mandates

The mandate of the Working Group, as set out in Conference resolution 1/4, consists of the following functions:

(a) Assisting the Conference in developing cumulative knowledge in the area of asset recovery;

(b) Assisting the Conference in encouraging cooperation among relevant existing bilateral and multilateral initiatives, and contributing to the implementation of the related provisions of the Convention;

(c) Facilitating exchange of information by identifying good practices and disseminating them among States;

(d) Building confidence and encouraging cooperation between requesting and requested States by bringing together relevant competent authorities and anti-corruption bodies and practitioners involved in asset recovery and the fight against corruption and by serving as a forum for them;

(e) Facilitating exchange of ideas among States on the expeditious return of assets;

(f) Assisting the Conference in identifying the capacity-building needs, including long-term needs, of States parties in the prevention and detection of transfers of proceeds of corruption and income or benefits derived from such proceeds and in asset recovery.

The Secretariat will provide an oral update on progress made in the implementation of asset recovery mandates.

3. Forum for advancing practical aspects of asset recovery, including challenges and good practices

At its previous meetings, the Working Group noted the importance of providing a forum for discussing the practical aspects of asset recovery, including challenges and good practices. In addition, it expressed its appreciation for presentations on new legislation on asset recovery adopted by States parties in compliance with the Convention and recommended that the Secretariat strive, at future meetings, to foster such pragmatic approaches.

States parties may wish to come prepared to discuss their good practices and are encouraged to share them with the Secretariat in advance, together with relevant documentation for dissemination on the relevant page of the United Nations Office on Drugs and Crime website.

The discussion on practical aspects of asset recovery will commence with a panel discussion.

4. Forum for updates on and developments relating to thematic discussions of the previous session

At its previous meeting, on 11 and 12 September 2014, the Working Group held thematic discussions on article 52 (Prevention and detection of transfers of proceeds of crime) and article 53 (Measures for direct recovery of property). The discussions on article 52 addressed, inter alia, the importance of strict enforcement of customer due diligence, know-your-customer rules and the crucial role of financial intelligence units in the framework for combating corruption. The discussions under article 53 touched upon, inter alia, civil proceedings in foreign States and information exchange between administrative authorities on the basis of the Convention, and challenges to those forms of cooperation.

Under the agenda item, participants are invited to provide updates on a broad range of legislative and practical developments with regard to these issues.

5. Thematic discussion on article 57 (Return and disposal of assets) and other relevant articles of the Convention

Topics to be discussed may include the following: the practice followed for the deduction of reasonable expenses incurred in investigations, prosecutions or judicial proceedings; ways to reduce the overall cost of asset recovery; examples of agreements or arrangements for the final disposal of confiscated property; and implementation of article 57, paragraph 3 (b)¹ and (c). Another topic to be included could be good practices in the management and preservation of restrained assets.

In addition, it encouraged the further development of initiatives to provide assistance in asset recovery cases at the request of States parties.

In its resolution 5/3, the Conference urged States parties to ensure that their anti-corruption authorities or other relevant bodies were trained sufficiently and on a regular basis and had the requisite authority, legislative and otherwise, to identify, trace, freeze and confiscate corruption proceeds, including in terms of access to the
