The Secretary-General of the United Nations presents his compliments to the  and has the honour to draw the attention of the Government to the recommendations of the Open-ended Intergovernmental Working Group on Prevention, established by the Conference of States Parties to the United Nations Convention against Corruption in its resolution 3/2 entitled “Preventive Measures”.

At its second intersessional meeting held in Vienna from 22 to 24 August 2011, the Working Group recommended that it should continue to focus on a manageable number of specific substantive topics relevant to the implementation of the articles in Chapter II of the Convention (CAC/COSP/WG.4/2011/4, paragraph 11). The Working Group also considered that its future meetings should follow a multi-year workplan for the period up to 2015. In response to these outcomes of the Working Group, the Secretariat prepared a note entitled “Proposal for a possible multi-year workplan for the Open-Ended Intergovernmental Working Group on Prevention for the period up to 2015” (CAC/COSP/2011/CRP.4) and circulated the note for comments by State parties and signatories to the Convention through Note Verbale CU 2011/177 of 30 September 2011. Following receipt of comments from States parties and signatories, the Secretariat circulated a proposed change to the multi-year workplan through Note Verbale 2011/213 of 3 January 2012. Having received contrasting responses from States parties and signatories, the Secretariat wishes to inform States parties and signatories that the proposed change will not take effect and can confirm that the topics for discussion at the third intersessional meeting of the Working Group to be held in Vienna from 27 to 29 August 2012 will remain:

- (a) Implementation of article 12 of the Convention, including the use of public-private partnerships;
- (b) Conflicts of interest, reporting acts of corruption and asset declarations, particularly in the context of articles 7 – 9 of the Convention.

The Secretariat will include an agenda item at the third intersessional meeting at which the proposed multi-year workplan can be discussed further by States parties and signatories.

The Working Group also considered at its second intersessional meeting that in advance of each future meeting of the Working Group, States parties should be invited to share their experiences of implementing the provisions under consideration, preferably by using the self-assessment checklist and including, where possible, successes, challenges, technical assistance needs, and lessons learned in implementation (CAC/COSP/WG.4/2011/4, paragraph 12).

The United Nations Office on Drugs and Crime therefore seeks the cooperation of all States parties and signatories to the Convention in providing pertinent information on their relevant initiatives and practices to the Secretariat in relation to the topics for discussion at the third intersessional Working Group meeting as outlined above.

In order to assist States parties and signatories in the provision of the requested information, the Secretariat has produced a Guidance Note (attached at Annex I) outlining the type of information States parties and signatories may wish to provide in advance of the Working Group in relation to each topic under consideration.

The Secretary-General would be grateful if the Government would send any pertinent information to the Secretary of the Conference of the States Parties to the United Nations Convention against Corruption, Corruption and Economic Crime Branch, United Nations Office on Drugs and Crime, Vienna International Centre, P.O. Box 500, A-1400 Vienna, Austria, Fax: +43 1 26060 6711 or to e-mail [uncac.cop@unodc.org](mailto:uncac.cop@unodc.org), at its earliest convenience, **but not later than 6 April 2012**.
