CND Intersessional Meeting: Dec. 9-11

RECONVENED 58TH SESSION

Negotiations: Starting Week Jan. 11 ‘16

Finalization of the text: Week 7 Mar. ‘16

59th SESSION Approval & onwards submission to GA

www.ungass2016.org
Status of work:

PHASE I

Elements paper – prepared by the UNGASS Board – first version of 24 September, second version of 4 November and the third version shared on 3 December

- **Format:** Preamble outlining general principles and cross-cutting issues, followed by a number of key subjects and corresponding operational recommendations
- **Structure:** Key elements and priorities of most common concern contained in various contributions from Member States and their regional groups
- **Cross-cutting issues in the preamble:** Human rights, emerging challenges, need for strengthening research and data collection, and providing technical assistance and capacity building
- **Central elements include:** demand reduction, prevention and treatment, ensuring the availability of controlled substances for medical and scientific purposes, supply reduction, responses to drug-related crime, effective and proportional legislative/criminal justice responses, countering money laundering and promoting international cooperation, NPS, ATS, alternative development and addressing the world drug problem within the wider sustainable development agenda

PHASE II

- **Next:** Development of zero-draft version of outcome document in January 2016
- **Finalization** of outcome by the 59th session of the CND in March for onward submission to GA
Mandate: CND Resolution 58/8 (f)

The Commission on Narcotic Drugs, as the entity leading the preparations for the special session, shall address in an open-ended manner, supported and guided by the President of the General Assembly, the organizational arrangements, including chairing arrangements, speakers and participation, for the following round tables, while considering the Political Declaration and Plan of Action on International Cooperation towards an Integrated and Balanced Strategy to Counter the World Drug Problem, in line with General Assembly resolutions 67/193 and 69/201;

- 5 themes identical to interactive discussions held at 58th session CND in March 2015;
- Good experiences with arrangements for interactive discussions held at the 58th session CND being considered;
- Organizational arrangements for round-tables decided at the reconvened session of the CND 9-11 December 2015 (decision L.16);
(b) All States Members of the United Nations, as well as observer States and observers, including relevant international organizations with observer status and entities of the United Nations system, as well as representatives of non-governmental organizations, representatives of civil society and the scientific community, academia, youth groups and other relevant stakeholders participating in the special session in accordance with resolution 70/[…], paragraph 3 (e), are invited to participate in the interactive, multi-stakeholder round tables;

(c) Member States, observer states and observers are encouraged to consider being represented at the special session at the highest possible level;

(d) The interactive, multi-stakeholder round tables shall be co-chaired by two representatives of two different regional groups — one of the co-Chairs should be a member of the Board tasked by the Commission with preparations for the special session and the other co-Chair shall be from a different regional group, to be nominated by its respective New York regional group and appointed by the President of the General Assembly;

(e) Each round table shall consist of a panel composed of five panellists to be nominated by the regional groups and one panellist nominated by the civil society task force for the special session; the panel could further include up to two speakers from the entities of the United Nations system. The final list of the panellists and other speakers will be drawn up by the Commission on Narcotic Drugs, in consultation with the President of the General Assembly;

(f) The interventions by the panellists shall be followed by an interactive discussion and, in order to accommodate as many speakers as possible, interventions by the panellists shall be limited to a maximum of five minutes, and interventions from the floor shall be limited to a maximum of three minutes;

(g) A summary of the salient points raised during the round tables will be prepared by the Chairs of those round tables, to be presented at the plenary;
