UNITED NATIONS GENERAL ASSEMBLY SPECIAL SESSION ON THE WORLD DRUG PROBLEM

The Permanent Mission of Turkey to the UN, the Turkish Green Crescent Society and the UN Office on Drugs and Crime kindly invite you to a side event on

NATIONAL DRUG POLICY OF TURKEY: PREVENTION AND REHABILITATION PRACTICES

Thursday, April 21, 11.30 - 12.30
Conference Room B

Turkey has, through its National Strategic Drug Action Plan, devised innovative ways to address multidimensional challenges related to the world drug problem. This side event aims to highlight the ongoing prevention and rehabilitation practices conducted with a multi-sectoral and comprehensive approach across the country, the key role of civil society, as well as the importance of international cooperation.

Moderator
Mücahit ÖZTÜRK

Presentations
Savaş YILMAZ - Turkish National Drug Policy
Chloé CARPENTIER - Research Findings on Prevention and Treatment
Azize Nilgün CANEL - Addiction Prevention Training Program of Turkey
Mehmet DiNÇ - Green Crescent Counseling Center
Gilberto GERRA - Drug Prevention and Treatment: Standards References and Social Context
