Detected victims of trafficking by age group and sex, 2020 (or most recent)

Source: UNODC Global Report on Trafficking in Persons 2022

* 42% (Female)
* 23% (Male)
* 18% (Child)
* 17% (Child)

Human trafficking explained
Females are particularly affected by human trafficking:
For every 10 victims detected globally, about 4 are adult women and 2 are girls.
