## VI. Registration

13. The names of delegates should be sent to the secretariat of the Conference as soon as possible:

Secretariat of the Conference of the States Parties to the United Nations  
Convention against Corruption  
United Nations Office on Drugs and Crime  
P.O. Box 500  
1400 Vienna  
Austria

Telephone: (+43-1) 26060 4281  
Facsimile: (+43-1) 26060 5841 or 74281  
E-mail: [uncac.cop@unodc.org](mailto:uncac.cop@unodc.org)

14. **Governments pre-registering online should ensure that the information on the composition of their delegation includes the individual e-mail addresses. Providing the individual e-mail addresses will ensure that representatives receive an automatic e-mail response confirming their registration. The automatic e-mail response will also contain a link where participants may upload a photograph. Please note that only if both requirements are met (provision of e-mail address and uploading of a photograph) can badges be pre-printed and made available to be picked up at the Convention Centre. Delegates who do not complete the pre-registration procedure will need to follow the normal procedure of having a photograph taken and issuance of badges upon their arrival at the Convention Centre.**

15. All other participants must register at the registration area in the Convention Centre, located in the lobby on the ground floor.

16. As part of the high-level security arrangements, all participants are required to present their invitations or official communications identifying them as delegates, together with their passports or other official photograph-bearing identity documents, at the entrance before proceeding to the registration area in the Convention Centre to register and obtain their security passes for the session. Passes must be worn visibly at all times in the Convention Centre during the session. All persons and their bags and briefcases will be screened at the entrance to the Convention Centre.

17. Registration will begin on Saturday, 26 January 2008. The registration desk will be open from 8 a.m. to 8 p.m. on 26 and 27 January, and from 8 a.m. to 7 p.m. on 28 January. Given the large number of participants expected, delegates arriving before the opening of the session are encouraged to register as early as possible.

### **Registration of Heads of State or Government and ministers**

18. It is strongly recommended that delegations submit the names of ministers or other delegates of similar or higher rank to the secretariat in advance in order to expedite preparation of VIP badges and minimize inconvenience. Those badges will be ready for collection at the VIP registration desk in the Convention Centre upon arrival. Questions regarding VIP badges should be sent by e-mail to

Lieutenant Friedrich Grieszler (friedrich.grieszler@unvienna.org) of the United Nations Security and Safety Service.

#### **Registration of members of the press and the media**

19. Media representatives are required to register at the press registration counter, located in the registration area of the Convention Centre.

#### **Registration of persons accompanying delegates and participants**

20. The names of all persons accompanying delegates or other participants should be submitted to the secretariat as soon as possible. Those persons will be issued a special badge, which will allow them access to the Convention Centre.

## **VII. Languages and documentation**

21. The official languages of the Conference will be the six official languages of the United Nations: Arabic, Chinese, English, French, Russian and Spanish. Statements made in an official language of the Conference during plenary meetings will be interpreted into the other five official languages. Official documents of the Conference will be made available in all six official languages.

22. Each seat in the conference halls of the Bali International Convention Centre for which simultaneous interpretation is available will be provided with a portable receiving set and headphone. Participants are requested not to remove that equipment from the meeting rooms so that it may be checked periodically and the batteries may be recharged if necessary.

23. The secretariat has prepared a number of documents to facilitate consideration of some of the issues on the provisional agenda. Those documents may be downloaded from the Conference website (<http://www.unodc.org/unodc/en/treaties/CAC/CAC-COSP-session2.html>) or from the official Indonesian website (<http://www.csp2indonesia.org>).

24. As part of the secretariat's efforts to reduce expenditure and support endeavours to limit environmental impact through the digitization of conference materials and publications, pre-session documents will be available at the conference venue in limited number. Each delegation will receive a single, complete set of the documents in the language of its choice. **Delegates are therefore kindly requested to bring their own copies of the pre-session documents to the meeting.**

25. **Memory sticks containing pre-session documentation and publications related to the Conference will be distributed to participants at the registration desk, upon issuance of their badges.**

26. The main documents distribution counter will be located on the ground floor of the Convention Centre. At the documents distribution counter, each delegation will be assigned an individual box in which documents issued during the session will be placed.

27. To determine exact requirements for in-session documents, each delegation is requested to inform the persons working at the documents distribution counter of its

requirements, specifying the number of copies of each document required and the language or languages in which it wishes to receive the documents during the session. The number of copies requested should be sufficient to cover all requirements, as it will not be possible to request additional copies.

## VIII. Submission of papers

28. Copies of national statements and position papers prepared by participating States will be distributed during the session in the languages and quantities provided by Governments. It is suggested that the following minimum numbers of copies be provided:

<i>Language combination</i>	<i>Minimum number of copies</i>					
	<i>Arabic</i>	<i>Chinese</i>	<i>English</i>	<i>French</i>	<i>Russian</i>	<i>Spanish</i>
Arabic and English only	175	-	425	-	-	-

English and Russian only	-	-	425	-	100	-
English and Spanish only	-	-	425	-	-	175

29. If the suggested number of copies cannot be provided, 300 copies is the absolute minimum necessary for distribution to cover one copy per delegation and limited copies for secretariat use. A business centre, located at the Westin Hotel adjoining the Convention Centre, offers reproduction facilities on a commercial basis. However, it is strongly recommended that sufficient quantities be brought or shipped to the Convention Centre by delegations well before the opening of the session.

30. Specialized agencies, intergovernmental organizations and non-governmental organizations may also prepare background information on specific questions pertaining to the subjects under consideration (see paras. 28 and 29 above for recommended languages and quantities).

31. Information copies of all national statements and position papers, as well as other relevant documents, should be submitted in electronic format as soon as possible to the Secretary of the Conference:

Mr. Dimitri Vlassis  
 Chief  
 Crime Conventions Section  
 Division for Treaty Affairs  
 United Nations Office on Drugs and Crime  
 P.O. Box 500

35. **XII. Useful information about Indonesia****Geography and population**

51. Sitting between two continents and two oceans, Indonesia is the world's largest archipelagic nation. The island chain forms an arc 5,000 kilometres long between mainland South-East Asia and Papua New Guinea, endowing Indonesia with more than 80,000 kilometres of coastline and 3.1 million square kilometres of territorial waters.

52. The geology and landscape of Indonesia were formed millions of years ago by the collision of three geodesic plates. Dotted with volcanoes that are covered with

thick tropical vegetation and bright-green rice fields and surrounded by coral reefs, Indonesia is a place of unsurpassed beauty. The archipelago varies in landscape and climate, from wet and lush in the west to dry and arid on many of the eastern islands.

53. With over 220 million citizens, Indonesia is the world's fourth most populous country. Migration over the centuries and an uneven distribution of economic resources have contributed to a unique cultural mix found nowhere else in the world.

54. The island of Bali is one of the country's 33 provinces and is world-renowned as one of the most beautiful and diverse tourist areas in Asia. Bali is also known for its highly developed arts, including dance, sculpture, painting, leather- and metalworking and music. Although the majority of Indonesians are Muslim, about 92 per cent of the residents of Bali profess Balinese Hinduism, a syncretism of local beliefs and Hindu influences from mainland Asia.

### **Climate**

55. Indonesia's tropical climate is characterized by high daytime temperatures and high humidity. In the lowlands, the temperature ranges between 21° and 33° C and the humidity between 60 and 100 per cent. During the wet season, tropical showers and thunderstorms are frequent, with rain falling in short, intense bursts. In West Indonesia, the wet season runs from November to April, and the dry season from April to October. East Indonesia has two wet seasons, which differ from place to place.

### **Language**

56. Some 300 different languages are spoken across the archipelago. The official language of Indonesia is Bahasa Indonesia, a modern variant of Malay that has long served as the lingua franca of trade in Indonesia. On Bali the most widely spoken languages are Balinese and Bahasa Indonesia, although many residents also speak English because of the island's important tourism industry.

### **Currency**

57. The currency unit of Indonesia is the rupiah. Banknotes are issued in denominations of 1,000, 5,000, 10,000, 20,000, 50,000 and 100,000; there are also coins in denominations of 25, 50, 100, 500 and 1,000. The exchange rate is approximately Rp 9,200 = US\$ 1.

58. Major credit cards (Visa, MasterCard, American Express, Diners Club) and traveller's cheques in principal currencies are generally accepted in large hotels, restaurants, department stores and several large stores. Traveller's cheques and bank notes in all major currencies may be exchanged at all commercial banks and most hotels and foreign exchange counters. ATM services are also available.

### **Time**

59. Indonesia has three time zones. Sumatra, Java, West and Central Kalimantan are on West Indonesia time, seven hours ahead of Greenwich mean time (GMT + 07:00). Bali, South and East Kalimantan, Sulawesi and Nusa Tenggara are

on Central Indonesia time (GMT + 08:00). Maluku and Irian Jaya are on East Indonesia time (GMT + 09:00).

### **Taxes and tipping**

60. A value added tax of 10 per cent is added to bills. It is common in larger cities for 5 per cent to be added for service in restaurants.

61. Tipping is not compulsory, even in cities, but it is generally highly appreciated if a tip is given of not more than 20 per cent of the price paid.

### **Electricity**

62. Electrical power in Indonesia is at 220-230 volts (50 hertz). Plugs are of the European two-pronged variety.

### **Telephone services and useful telephone numbers**

63. Telephone services are available in hotels, restaurants and cafes. Pre-paid mobile telephone cards are available at hotels and local shops. Dialling is as follows:

(a) Local calls: dial the number directly;

(b) Long-distance calls within Indonesia: dial the area code (for Jakarta 021, for Bali 0361) + the number;

(c) International calls: dial the international direct dial access (001 or 008) + country code + area code + number.

64. To call Indonesia from abroad, dial the international direct dial access + country code (62) + area code + number. When calling from abroad, the 0 prefix of the area code should not be dialled.
