

December 2022-May 2023 with CSO Positive Initiative / Regional Center for Community Policies (CRPC)/ Act for Involvement (AFI)

The three CSOs have established a strong collaboration that focuses on providing client-centred service provision.

Their main objective is to offer assistance, accommodation, and referrals to HIV services primarily for Ukrainian refugees, with special attention paid to women travelling with children and people released from prisons.

01

HIV prevention, treatment and care services were provided to 348 people

03

CSO-led case management/social support was provided to 626 people

02

Humanitarian aid was delivered to 210 people
