LAW OF THE REPUBLIC OF INDONESIA

NUMBER 5 YEAR 1997

ON PSYCHOTROPIC SUBSTANCES

BY THE GRACE OF THE ONE SUPREME GOD

PRESIDENT OF THE REPUBLIC OF INDONESIA

Considering:

a. That to realize a just and prosperous society which is equitable materially and spiritually based on Pancasila and the 1945 Constitution within unitary state of the Republic of Indonesia which is independent, united, sovereign, with people's sovereignty in the secure, peaceful, orderly, and dynamic living condition, within free, just, friendly, orderly and peaceful world living environment;

b. That to realize the said national objectives it is deemed necessary to conduct a sustainable development encompassing all sectors, including people's welfare which comprises among others health, by paying attention to health services which include: to secure the availability, to prevent abuse and to cut illicit trafficking of drugs particularly psychotropic substances;

c. That psychotropic substances are useful for medical and scientific purposes, hence their availability should be secured;

d. That psychotropic abuse may harm to human and nation lives and in turn threaten the national resilience;

e. That the fast advancing science and technology, transportation and information has contributed to increased international illicit trafficking of psychotropic substances;

f. That in this connection it is deemed necessary to stipulate a national law on psychotropic substances.
In view of:

1. Article 5, clause (1), and Article 20, clause (1) of the 1945 Constitution.

BY THE APPROVAL OF

THE HOUSE OF REPRESENTATIVES OF THE REPUBLIC OF INDONESIA

HAS DECIDED

To stipulate:

LAW ON PSYCHOTROPIC SUBSTANCES

CHAPTER I

GENERAL PROVISIONS

Article 1

10. Transit refers to any transportation of psychotropic substances in the territory of the Republic of Indonesia whether or not with transshipment between two crossing countries.

11. Delivery refers to any activity of giving psychotropic substances between consignor and user within the context of health service.

12. Research and educational institutions refers to any institution which particularly or one of its functions engages in using any psychotropic substance in research, development, education, or teaching which has obtained approval from the Minister for the purpose of science.

13. Corporations refers to any organized of association of persons and or assets whether or not in the form of a corporate body.

14. Minister refers to the minister responsible for health.

CHAPTER II

SCOPE AND OBJECTIVES
Article 2

(1) The scope of arrangement of psychotropic substances herein shall be all activities related to psychotropic substances which are potential to cause addiction syndrome.

(2) The psychotropic substances which are potential to generate addiction syndrome referred to in section (1) above, shall be categorized into:

a. Psychotropic substance category I

b. Psychotropic substance category II

c. Psychotropic substance category III.

d. Psychotropic substance category IV

(3) Types of psychotropic substances categories I,II,III, and IV as referred to in section (2) above shall for the first time be stipulated and attached to this law thereby become an integrated part of this law.

(4) Further provisions to stipulate changes of the types of psychotropic substances as referred to in section (3) shall be decreed by the Minister.

Article 3

The objectives of the regulation on psychotropic substances shall be as follows:

a. To secure psychotropic provision for medical and scientific purposes.

b. To prevent any psychotropic abuse.

c. To eradicate illicit psychotropic trafficking.

Article 4

(1) Psychotropic substances can be used only for medical and scientific purposes.
(2) Psychotropic substance Category I can be used only for scientific purposes.

(3) Other than the administration referred to in section (1) and (2) above, psychotropic substances category I shall be declared as prohibited.

CHAPTER III

PRODUCTION

Article 5

Psychotropic substances can be produced only by licensed pharmaceutical industry in accordance with the prevailing Laws.

Article 6

Psychotropic substance Category I is prohibited to be produced and/or used in production process.

Article 7

Psychotropic substances produced for distribution in the form of drug shall conform the pharmacopea standard and or requirement of Indonesia or any other book of standards.

CHAPTER IV

TRAFFICKING PART ONE GENERAL

Article 8

Psychotropic trafficking includes: distribution and delivery.

Article 9
(1) Psychotropic substance in the form of medicine can only be distributed after registration by the Minister.

(2) The Minister shall decide the requirements of and procedure for registration of psychotropic substances in the form of medicines.

Article 10

Any transportation within the context of trafficking of psychotropic shall be equipped with psychotropic transportation document.

Article 11

The procedure of psychotropic substance trafficking shall be further arranged by the Minister.

PART TWO

DISTRIBUTION

Article 12

(1) Distribution of psychotropic substances as referred to in Article 8, can only be done by big pharmaceutical factory or wholesaler or Government pharmacy storage facility.

(2) Psychotropic distribution as referred to in section (1) can only be done by:

a. Pharmaceutical companies to pharmaceutical wholesalers, dispensaries, government pharmaceutical storage facilities, hospitals, research and or education institutions.

b. Pharmaceutical wholesalers to the other pharmaceutical wholesalers, dispensaries, Government pharmaceutical storage facilities, hospital and research and or education institutions.

(3) Psychotropic substances category I can be distributed only by pharmaceutical companies and pharmaceutical wholesalers to research and or education institutions for scientific purposes.

Article 13

Psychotropic substances for scientific purposes can be distributed by pharmaceutical companies and pharmaceutical wholesalers to research and or education institutions.

PART THREE

DELIVERY

Article 14

(1) Delivery of psychotropic substances as referred to in Article 8, can only be, done by dispensaries, hospitals, health centers, and physicians.

(2) Delivery of psychotropic substances by dispensaries can only be done by to the other dispensaries, hospitals, public health centers, physicians, and patients.

(3) Delivery of psychotropic substances by hospitals, public health centers referred to in section (1) can only be done to users/patients.

(4) Delivery of psychotropic substances by dispensaries, hospitals, public health centers referred to in section (1) shall only be made upon prescription.

(5) Delivery of psychotropic substances by physicians as referred to in section (1) shall be made in case of.

1. a. therapeutic practice and shall be given through injection
2. b. helping patients who are in emergency
3. c. performing tasks in remote area where there is no dispensary.

E/NL.2003/NUMBER Page 5

(6) Psychotropic substance delivered by physician referred to in section (5) can be obtained only from dispensary.

Article 15

Further provisions on delivery of psychotropic substances shall be arranged by the Minister.

CHAPTER V

EXPORT AND IMPORT

PART ONE

EXPORT AND IMPORT APPROVAL

Article 16

(1) Export of psychotropic substances can only be made by pharmaceutical companies or pharmaceutical wholesalers licensed as exporters according to the prevailing legislation regulation.

(2) Export of psychotropic substances can only be done by pharmaceutical companies or pharmaceutical wholesalers licensed as importers according to the prevailing regulations and by research and or education institutions.

(3) Research and or education institution as referred to in section (2) shall be prohibited from distributing psychotropic substances they import.

Article 17

(1) Exporters of psychotropic substances as referred to in Article 16 section (1) shall have psychotropic substance export approval each time he/she exports psychotropic substance.
(2) Importers of psychotropic substances as referred to in Article 16 section (2) should have psychotropic substance import approval each time he/she imports psychotropic substances.

(3) Import approval for psychotropic substances category I can be made only for scientific purposes.

Article 18

(1) To obtain psychotropic substance export or import approval, the exporter or importer as referred to in Article 17 shall submit written application to the Minister.

(2) The written application to obtain export approval of psychotropic substance shall be equipped with psychotropic substance import approval issued by the government of the psychotropic substance importing country.

(3) The Minister shall regulate the requirements to contain in the written application for export or import approval of psychotropic substances.

Article 19

The Minister shall send a copy of import approval of psychotropic substances to the government of psychotropic substance exporting country.

Article 20

Further arrangement of psychotropic substance export or import shall be made by the Minister.

PART TWO

TRANSPORTATION

Article 21

(1) Transportation of psychotropic substance export shall be equipped with psychotropic substance export approval issued by the Minister.
(2) Transportation of psychotropic substance import shall be equipped with psychotropic substance export approval issued by the government of psychotropic substance exporting country.

Article 22

E/NL.2005/06-10 Page 6

(1) Each exporter of psychotropic substance shall be required to present psychotropic substance export approval issued by the Minister and psychotropic substance import approval issued by the government of importing country to the person responsible for the export transportation company and should be equipped with psychotropic export approval from the government of the exporting country.

(2) The responsible person for export transportation company shall be required to present psychotropic substance export approval issued by the Minister and psychotropic substance import approval issued by the government of importing country to the person responsible for the transportation.

(3) The person responsible for the transportation of psychotropic substance export shall be required to provide and be responsible for the completeness of psychotropic substance import approval issued by the government of importing country—Article

(4) The person responsible for the transportation of psychotropic substance import entering the territory of the Republic of Indonesia shall be responsible to provide and shall be responsible for the completeness of psychotropic substance import approval issued by the government of exporting country

PART THREE

TRANSIT

Article 23
(1) The transit of psychotropic substance shall be equipped with psychotropic substance export approval issued by the government of exporting country and psychotropic substance import approval issued by the government of importing country.

(2) The psychotropic substance export approval as referred to in section (1) shall contain the following information about;

1. a. Names and addresses of the psychotropic substance exporter and importer
2. b. Types, forms and quantities of psychotropic substances
3. c. The government of the country of destination of psychotropic substance export change.

Article 24

Any change of country of destination of psychotropic substance export shall be subject to the approval from:

1. a. The government of the exporting country

b. The government of the importing country or the original destination of psychotropic substance export.

c. The government of the country of destination of psychotropic export change.

Article 25

Psychotropic substance repacking in a storage house or by carrier of psychotropic substance transit can only be done to damaged psychotropic substance original packing, and it shall be done under the supervision of competent authority.

PART FOUR

INSPECTION

Article 27
The government shall make inspection on the documents of psychotropic substance export, import, and transit for its compliance.

Article 28

(1) The psychotropic substance importer shall examine the psychotropic substance he/she import and shall be required to report its results to the Minister within not later than seven work days as of the receipt of the imported psychotropic substance at his/her company.

(2) Based on the report as referred to in section (1), the Minister shall send psychotropic substance import receipt to the government the exporting country.

E/NL.2003/NUMBER Page 7

CHAPTER VI

LABEL AND ADVERTISEMENT

Article 29

(1) Pharmaceutical company shall put label on psychotropic substance package.

(2) The label shall contain particularity of psychotropic substance in the form of writing, or combination of picture and inscription or otherwise accompanying or inserted into the package, attached to or as the part of the container.

Article 30

(1) Any inscription on the psychotropic substance label shall be complete and not misleading.

(2) The Minister shall determine the requirements and or particularities which shall be required for or prohibited from inclusion in the psychotropic substance label.
Article 31

(1) Psychotropic substance can only be advertised in medical and or pharmaceutical scientific printed media.

(2) Requirement of psychotropic substance advertising materials shall be regulated by the Minister.

CRAFTER VII

ANNUAL NEED AND REPORTING

Article 32

The Minister shall prepare the annual plan of the need for psychotropic substance for medical, therapeutically and scientific purposes.

Article 33

(1) Pharmaceutical company and wholesaler and government pharmaceutical storage facility, dispensary, hospital, public health center, physician, research and or education institution shall be required to prepare and keep records on its activity related to psychotropic substance.
