New rights-based technical cooperation tools to support implementation of the Smuggling of Migrants Protocol

UNODC, IOM and The Bali Process RSO are pleased to present the new rights-based technical cooperation tools to support the implementation of the Smuggling of Migrants Protocol.

The following tools will be presented in this event:

- *UNODC's Toolkit for Mainstreaming Human Rights and Gender Equality into Criminal Justice Interventions to Address Trafficking in Persons and the Smuggling of Migrants*
- *IOM's Handbook on Protection and Assistance for Migrants Vulnerable to Violence, Exploitation*
- *The Bali Process RSO's publication titled 'Understanding the Smuggling of Migrants Protocol', developed jointly with the UNODC Regional Office for Southeast Asia and the Pacific.*
- *An introduction on a joint initiative of the Government of Bangladesh and UNODC to conduct a National Study on Trafficking in Persons*

This project is funded by the European Union
