## OBJECTIVE

This side event will provide a forum to share results on the impact of the UNODC-CTED-EUROPOL-EUROJUST-EJN Partnership in advancing international law enforcement and judicial cooperation through the development of tools such as the second version of the Practical Guide for Requesting Electronic Evidence Across Borders, and the model request forms on Preservation, Emergency and Voluntary Disclosure. The side event will also present the mapping information of communication service providers and will be the occasion to present the SHERLOC Electronic Evidence Hub.

## TARGET AUDIENCE

The event will target practitioners across the criminal justice systems, specifically those involved in handling electronic evidence in the context of criminal proceedings involving multiple jurisdictions.
