SUPER SKILLS

A CARROT FOR ALL

One day in Skilltown, Lookup, and Listenup find a child saddened and whimpering. Immediately, our heroes offer to share their sandwiches. But Smellup and Handy see that there are even more children who want to eat. It's time for them - all of them - to take action. The team plants seeds - expecting them to grow overnight. But with more information, they realize it takes time and effort. It's not just about planting seeds but helping them grow, just as they do with their friends.
