UNODC ASSISTANCE AND THE SUSTAINABLE DEVELOPMENT GOALS

UNODC strives to mainstream human rights, gender equality, disability inclusion and prioritizes leaving no one behind

MOCK TRIALS ON ICSANT

Covering cross-border issues and challenges which may arise in the investigation, prosecution, and adjudication of crimes involving nuclear or other radioactive material

PART 1 FOUNDATIONAL ICSANT-RELATED ASPECTS

Preparatory workshop focusing on ICSANT and the criminalization of ICSANT-related offences, as well as technical aspects of nuclear and other radioactive material and illicit trafficking

PART 2 CRIMINAL INVESTIGATION

Presentations on radiological crime scene management, investigative techniques, nuclear forensics and facilitated discussions

PART 3 MOCK TRIAL

Preparatory session and breakout group discussions, followed by the mock trial itself
