Universalization of CBRN instruments

Country visits: UNODC promoted adherence to ICSANT through country visits to Brunei Darussalam, Cameroon, Maldives, Mauritius, Sierra Leone, Togo and Zimbabwe.

Regional/global events:
- UNODC conducted two workshops on the universalization and effective implementation of ICSANT, CPPNM and A/CPPNM for the Pacific and Southeast Asia.
- UNODC further promoted adherence to ICSANT via four online regional workshops for English and French-speaking African countries, the Pacific and Southeast Asia.
- Together with the International Atomic Energy Agency (IAEA), UNODC co-hosted a side event during the 67th IAEA General Conference on strengthening nuclear security worldwide through ICSANT, CPPNM and A/CPPNM.

Examples of contribution to partners’ activities:
- AFRICSIS high-level meeting for African countries on facilitating adherence to the A/CPPNM in Africa.
- PGA event for national parliamentarians of Cameroon which focused on enhancing nuclear security measures in the pursuit of global peace, including through adhering to relevant international legal instruments.
- The first European Union CBRN Centres of Excellence–African Union Forum on mitigating risks related to CBRN materials, which was held by the United Nations Interregional Crime and Justice Research Institute.

Capacity building

National: UNODC Seminar on the implementation of ICSANT for judges, prosecutors, inspectors, and other government officials of Montenegro.

Regional/global: UNODC Regional workshop to support South-Eastern European countries’ efforts in strengthening the capacities of their criminal justice systems for the effective implementation of ICSANT.

Cross-regional tabletop exercise “Snow Leopard” in Tajikistan aimed at identifying and demonstrating effective regional and international cooperation mechanisms (including ICSANT, CPPNM and A/CPPNM) for investigating and prosecuting radiological and nuclear crimes (UNODC together with the host country, the Netherlands, Romania, the United States of America, and UNOCT).
