

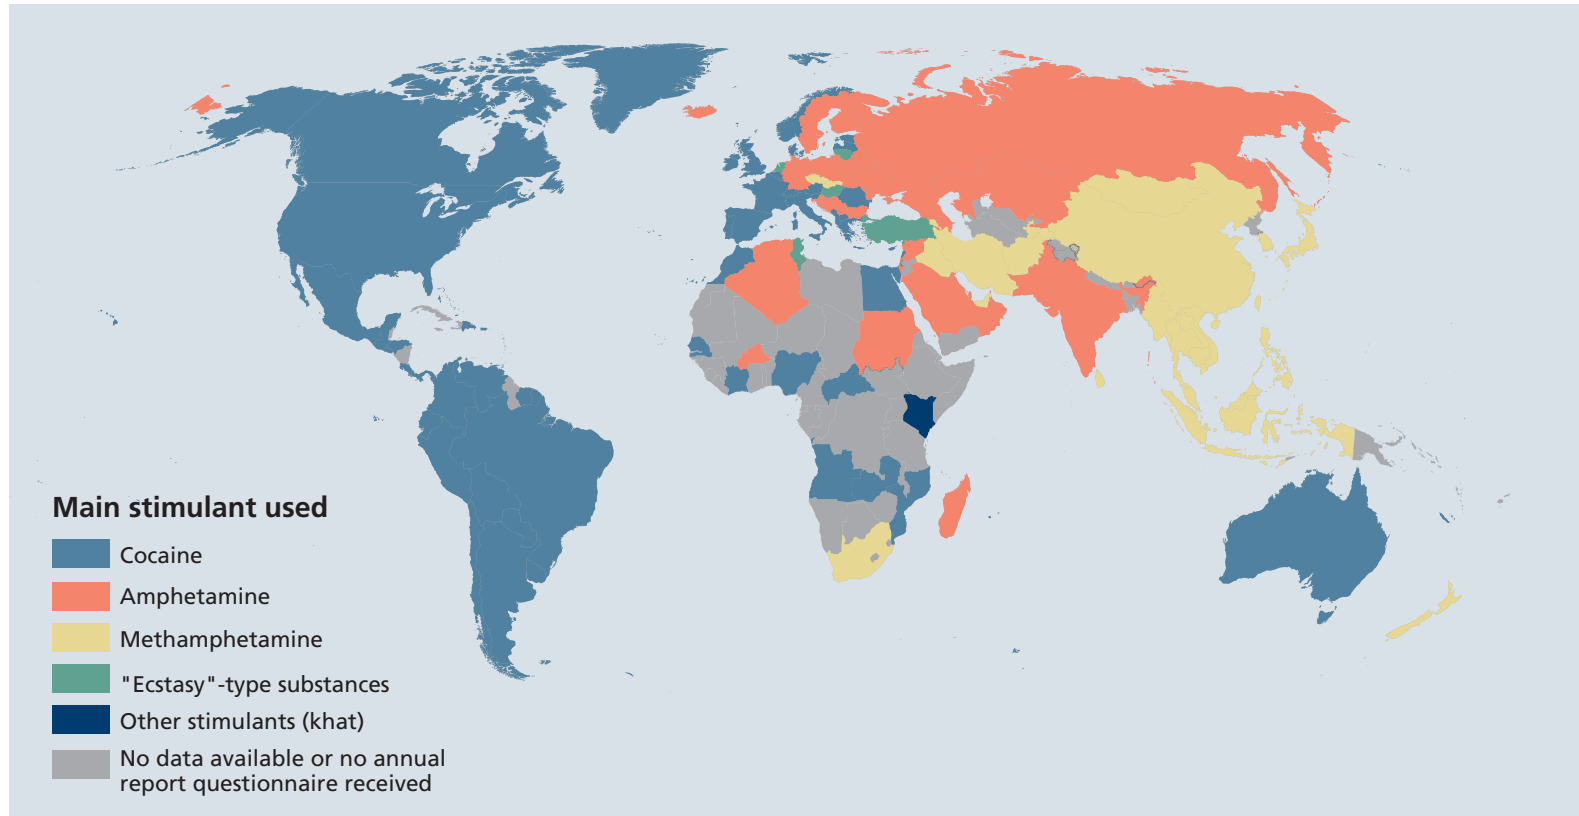

MAP 2 Main stimulant drug used, 2018 or latest available data

Source: UNODC, responses to the annual report questionnaire.

Note: Information is based primarily on the reported prevalence of stimulant drugs (cocaine, amphetamine, methamphetamine and "ecstasy") and, when that was not available, on the ranking or data on treatment of stimulant drug use reported in the annual report questionnaire.

The boundaries and names shown and the designations used on this map do not imply official endorsement or acceptance by the United Nations. Dashed lines represent undetermined boundaries. The final status of Jammu and Kashmir has not yet been agreed upon by the parties. The final boundary between the Republic of Sudan and the Republic of South Sudan has not yet been determined. A dispute exists between the Governments of Argentina and the United Kingdom of Great Britain and Northern Ireland concerning sovereignty over the Falkland Islands (Malvinas).
